

SMOKE DETECTORS

2016 Certification

*****All Owners and Tenants*****

**Each unit is required to maintain and
Test Annually
their smoke detectors to insure they are in
working order.**

**FL Statute 633 and the FL Fire Prevention Code
additionally requires that a smoke alarm shall be
installed in EACH sleeping area (bedroom) of each
dwelling. The alarms are allowed to be battery
operated and are not required to be interconnected.**

**Mirror Lake Condominium Association, Inc.
must report to**

CEDAR HAMMOCK FIRE RESCUE

**the Tests has been completed and the New Requirements have
been met.**

**Please complete the form below and return to the
community office.**
